WV Partnership to Promote Community Well-Being

Dear Mr. Lacy:

Pursuant to the provisions of Executive Order Number 8-04, I hereby notify you that I have graduated from Shady Spring High School and therefore no longer qualify to serve as a “representative currently a student at a State high school” on the West Virginia Partnership to Promote Community Well-Being.

Serving on the West Virginia Partnership has been an honor and a privilege during my tenure. I am proud to be a part of a group whose mission is as noble as it is essential to the continuity of the quality of life in our great State.

Through the joint cooperation of state and local leaders, the West Virginia Partnership has been and will continue to be a resource in the fight against substance abuse. I hope that I have been of service to the Governor and to the West Virginia Partnership by bringing the point of view of a student and youth activist striving for a healthier and safer life for West Virginians.

Thank you for being a wonderful facilitator to the West Virginia Partnership. I wish you and all members a blessed career of service. With kindest personal regards, I am

Very truly yours,

Christian A. Martine
